# **Frequently Asked Questions**

Current TAs MUST reapply—they are not automatically rehired.

# 1. Do I really need to have completed Econ 110, 380, and 381?

The department prefers that all TA's have completed 110, 380, and 381 before they begin a TA position.

# 2. What is the wage?

For the first two semesters, the hourly wage for Econ 110 TAs is \$11.00 for an average of 14-15 hours per week. All other Econ TAs begin at a wage of \$10.25 an hour, but for an average of 10-12 hours per week (may work up to 14 hours during weeks with heavy grading responsibilities). A 50 cent raise will occur every two semesters if your performance is satisfactory.

#### 3. Will I be notified?

Yes, all applicants are notified via email. Please make sure your email is current and accurate.

#### 4. Do I really need to attach a transcript?
